

Eguren Ugarte Graciano

Tasting Notes

Graciano is a variety native to Rioja, slow to ripen and difficult to grow, but the finished wine is modern, crisp and has strong aromas. Graceful as the name suggests.

EGUREN
FAMILY WINERY
UGARTE

Eguren Ugarte is a family winery founded in 1870 by Mr. Vitorino Eguren Ugarte, currently ran by the sixth generation of men and women dedicated to the fascinating world of growing vines and winemaking. Thanks to this, they have managed to preserve many of the traditional winemaking techniques and practices, as well as incorporating some of the latest technologies and techniques to enhance the winemaking processes. All this results in exceptional wines that win major national and international awards.

They are located in the beautiful Rioja Alavesa, where they cultivate their philosophy of caring for the environment and sustainable winegrowing. In the foothills of the Sierra Cantabria and surrounded by 130 hectares of vines, a perfect place to learn and enjoy the wine experience.

Their beautiful estate is frequently featured amongst the best wineries to visit in the world.
